

PROKLEAN

Product Data Sheet

Deck Cleaner & Rejuvenator

DESCRIPTION: ProKlean Deck Cleaner & Rejuvenator restores original color to wood and makes roofs look new. Highly concentrated formula designed for use in a pressure washer.

ProKlean Deck Cleaner & Rejuvenator can be sprayed on, then hosed off to remove multiple years of weathering. Use on wooden siding, decks, vinyl siding. Neutralize with Proklean Wood Brightener to ensure the new coat of stain will not break down.

- Designed for use in Pressure Washers.
- At a 1:9 dilution, one gallon will cover 2000 square feet.
- Test in an inconspicuous area before use.
