

PROKLEAN

Product Data Sheet

Wood Brightener Concentrate

DESCRIPTION: Solar ProKlean Wood Brightener Concentrate is a viscous, highly concentrated blend of oxalic acid and surfactants formulated to quickly clean and brighten wood, plastic/wood composite surfaces, decks, wood fences and siding.

- Cleans and brightens weathered wood. Prepares new wood surfaces for finishing.
- Removes mildew and algae stains, grayed wood fibers, ground in dirt and rust stains.
- Clings to vertical surfaces.
- Use on redwood and cedar surfaces to neutralize tannins brought to the surface after contact with high pH cleaners and/or strippers.
