# FOAM AWAY

General Purpose Defoamer

**SOLAR FOAM-AWAY** is a multi-purpose, concentrated silicone defoamer designed for use to "knock down" foam build-up in carpet cleaning, water treatment and general purpose cleaning applications, etc. **SOLAR FOAM-GONE** is particularly useful in water extraction cleaning equipment to prevent foam build-up in carpet and rug cleaning applications. Using **SOLAR FOAM-AWAY** will prevent soiled "foamy" water from overflowing from the recovery tank on to cleaned carpets.

## FEATURES & BENEFITS

- High dilution rate - economical to use.
- Multiple uses - carpet cleaning, water treatment, general purpose cleaning applications, etc.

**DIRECTIONS for USE:** Shake well before use. Pour 1-2 oz per gallon of water to be treated. For carpet extraction applications add 1-2 oz into the vacuum recovery tank or vacuum hose prior to beginning cleaning operations.

**SAFETY:** Do not ingest. If swallowed, drink plenty of water. Seek IMMEDIATE medical attention. Avoid skin/eye contact. For skin/eye contact, flush with clean water for 15 minutes. For eye contact, seek IMMEDIATE medical help. Keep out of the reach of Children
