GREASE GONE

HD Butyl Cleaner & Degreaser

SOLAR GREASE GONE is a fast-acting, high pH, heavy duty alkaline cleaner and degreaser formulated to quickly break down grease, oil and fats commonly found in commercial and industrial kitchens. Ideal for use on ovens, ranges, deep fat fryers, hoods, filters, floors and walls. Will remove baked-on grease and carbon deposits.

FEATURES & BENEFITS

- High pH formula - quickly liquefies grease thereby does not require heavy scrubbing.
- No toxic or acid compounds - formulation is biodegradable
- Can be used on warm stoves - saves time.
- Commercial and industrial applications - Use as pressure washer soap to clean floors, walls, machinery.

DIRECTIONS for USE: Dilution rates will vary with conditions and cleaning methods. For cleaning counters and table-tops, dilute 8ozs per gallon of water. Spray or mop onto surface and allow to soak. For heavily soiled areas such as hoods, vents, exhaust ducts, meat hooks, baking pans etc., dilute 12-12 oz per gallon of water. Wet all surfaces thoroughly and allow to soak for several minutes. Rinse surfaces after wiping clean.

SAFETY: Contains sodium hydroxide and 2-butoxyethanol. Wear gloves/goggles when using. Do not ingest. If swallowed, seek IMMEDIATE medical attention. Avoid skin/eye contact. For skin/eye contact, flush with clean water for 15 minutes. For eye contact, seek IMMEDIATE medical help. Keep out of the reach of children.

PHYSICAL PROPERTIES

ODOR	Butyl
SPECIFIC GRAVITY	1.08
APPEARANCE	Liquid
COLOR	Red
pH	13.0
PACKAGING	4x1 gallon bottles/ case 5-gallon pails

See overleaf for Material Safety Data Sheet.
