RENEWZ

Neutral pH Wood Floor Cleaner

SOLAR RENEWZ is a highly concentrated, neutral pH all-purpose wood floor cleaner that is specifically formulated for cleaning sealed wood floors and other non-porous surfaces such as ceramic and quarry tile. **SOLAR RENEWZ** will not dull floor surfaces.

FEATURES & BENEFITS

- Neutral pH cleaner - non-streaking, non-filming.
- Contains cherry fragrance - cleans and deodorizes
- Highly concentrated formulation - economical in use.

DIRECTIONS for USE: For light duty applications, dilute 1-2oz **SOLAR RENEWZ** per gallon of water. Mop or sponge solution on to area to be cleaned. Remove excess before allowing surface to air dry. Use 2-4oz per gallon for heavy-duty cleaning. If necessary, allow solution to stand on dirty surfaces prior to wiping off. **IMPORTANT:** Do not "over wet" sealed wood floors. Excess water can penetrate between joints - a damp mop is all that is required. No rinsing is required.

SAFETY: Do not ingest. If swallowed, seek IMMEDIATE medical attention. Avoid skin/eye contact. For skin/eye contact, flush with clean water for 15 minutes. For eye contact, seek IMMEDIATE medical help.

PHYSICAL PROPERTIES

ODOR	Cherry
SPECIFIC GRAVITY	1.034
APPEARANCE	Liquid
COLOR	Red
pH	7.8-8.5
PACKAGING	4x1 gallon bottles/ case 5-gallon pails

See overleaf for Material Safety Data Sheet.
