TLC

HD Traffic Lane Cleaner

SOLAR TLC is a highly concentrated, biodegradable, water-soluble liquid blend of emulsifiers, surfactants, detergents and organic solvents is formulated for use in heavy traffic areas to penetrate and loosen water and oil based stains. **SOLAR TLC's** solvent-based formula effectively breaks down grease, oil, dirt, smoke, food and beverages, etc. **SOLAR TLC** contains a pleasant fresh fragrance.

FEATURES and BENEFITS

- Highly Concentrated - cost-effective in use
- Contains fragrance - deodorizes as it cleans
- Solvent-based - excellent cleaner and degreaser

DIRECTIONS for USE: Shake container well before use. For light duty cleaning or pre-treating stains, dilute up one part SOLAR TLC with 25 parts water. When cleaning heavy grease/grime, dilute at 1-10 parts water. Test in inconspicuous area prior to use. Avoid contact with glass or plastic surfaces, etc.

SAFETY: Contains 2-butoxyethanol. Keep out of the reach of Children. Avoid skin/eye contact. In the event of skin/eye contact, flush area with clean water for 15 minutes. If irritation persists, seek medical help. Harmful if swallowed - if ingested, drink water and induce vomiting. Seek IMMEDIATE medical help.

PHYSICAL PROPERTIES

ODOR	Fresh
SPECIFIC GRAVITY	1.016
APPEARANCE	Liquid
pH	12.00
COLOR	Light Tan
PACKAGING	4x1 gallon bottles/ case 1x5 gallon pail 55-gallon drum

See overleaf for Material Safety Data Sheet.
