

Solar ProKlean

Product Data Sheet

Ultra Strip

DESCRIPTION: Solar ProKlean Ultra Strip is a highly concentrated formulation manufactured to quickly remove old and worn stains and sealers from wood surfaces prior to applications of new finishes as well as multiple coats of latex paint.

ProKlean Ultra Strip is formulated to easily remove solid color or semi-transparent oil-based stains. ProKlean Ultra Strip is also a very effective degreaser and graffiti remover. Ideal for use on wood, brick, metal and more.

- Works in 15 – 30 Minutes
- Easily removes multiple coats of solid and semi-transparent stains
- Excellent graffiti remover
- No Methylene Chloride or N-Methyl Pyrrolidone
